

## Tennis Greats Return to Pickleball in ESPN's™s Slam 2

**02.04.2024**

Four tennis legends face off playing America's favorite new sport, pickleball, in ESPN's Pickleball Slam 2.

Last year's Slam champion, Andre Agassi, pairs up with his wife, tennis icon Steffi Graf, to take on John McEnroe, who Agassi defeated last year, and Maria Sharapova. Agassi is sure he and Graf can take it all while McEnroe is in it for revenge.

Miami-based 2C again teamed with ESPN to create the above spot, pairing smack talk with fun footage, bold graphics and an energetic soundtrack, all crafted to draw viewers back to the action.
