'Reborn' Teaser: Still Holding Out for a Hero

06.24.2015

â€‹In a future without Heroes, things get dark - fast.Â

In the new teaser for NBC's Heroes Reborn (above), we see a "desperate future" that has people seeking their heroes, only to find destruction and pain. The phrase "Where are the heroes?" is seen written across banners and buildings, sending out a call for saviors for the sufferers now found almost everywhere.Â

Heroes Reborn debuts Sept. 24 on NBC before the season premiere of The Blacklist.Â
